Wash your hands...

Kindergarten would like to remind you about our PBL rules when eating...

Sit quietly to eat your lunch...

Wash your hands...

Sit quietly to eat your lunch...

Put your rubbish in the bin...

Wait for permission to leave!
We are very lucky at Lismore South Public School to have such an active and supportive P & C. To celebrate 100 years of education at our school the P and C have donated a new school flag, which is on display in the office hallway. Thank you to our fantastic P & C for being so supportive of our school. More centenary memorabilia will soon be available for purchase through the office.

Grace Cahill and Leonie Hyde presented the new school flag to our school leaders.

**Bentley Art Prize 2015**

Congratulations to Ethan Mazzer for his third place in the Primary School section of the Bentley Art Prize 2015. Ethan’s artwork was entitled “All Seasons” and attracted many admirers at the school and in the wider community. Well done Ethan.

**Rivers Sporting Challenge**

Our Years 4, 5 and 6 students have been participating in the Rivers Sporting Challenge over the past two Thursdays. This sporting event, coordinated by Miss Kylie Organ, sees our students play in four different sports, touch football, soccer, netball and basketball, against other Lismore town schools. The games are entirely non-competitive, with the students choosing to participate in a sport they do not play outside of school in an organised competition. Miss Organ has done an outstanding job coordinating the event across the four schools and we are very grateful for her commitment to providing the best sporting opportunities for our children. We would also like to thank the town high schools for providing referees and umpires each week.

**Permission Notes and Payments**

Thank you to all our families who have been handing in their notes and payments before the due dates. It is making Helen, Lyn and Michelle’s jobs much easier in the office and allowing all the staff to better plan and prepare for excursions and activities. Please remember that all permission and health detail forms need to be handed in by the due date so that numbers can be finalised. We cannot accept late notes. If you have any questions or queries about an excursion or event please do not hesitate to contact the office.

**Breakfast Club**

Many thanks to the anonymous community member who has donated another $40 Woolworths voucher for our Breakfast Club. All community assistance is greatly appreciated by the staff and children.

Don’t forget to mark our school centenary celebrations on Saturday 3rd October on your calendar. Good luck to all our athletes competing at the Zone Athletics Carnival this Friday.

Have a great week.

Nickie Bartlett – Principal
What’s been happening at Preschool?
This week the Echidnas have been creating magical potions and turning themselves into superheroes. The children from both groups have continued to show their love for their baby siblings by bathing and dressing dolls. The Goannas enjoyed looking at our celery experiment and playing in our wet sand tray. Outcomes 2, 4 and 5.

Preschool Committee Meeting
Our next preschool committee meeting will be held today, 10th August at 3.15 in the preschool. All parents and carers are welcome to join us.

Kindergarten 2016: If your child is attending Lismore South Public School next year and you have not returned your enrolment form to the school office, please do so as soon as possible.

Thank you
Thank you to Ashleigh Davis (Charlie’s mum) for coming to preschool and talking to the children about being a St John’s Ambulance Officer and how we can look after our friends and family if they are unwell. Ashleigh talked to the children about when to call ‘000’ if they need help.

Mission: Healthy Lunchbox
Mission 2 – “Make your snacks count” will be sent home this week. Please take the time to have a look at the information sheet which has ideas on ways to save money on lunch box snacks.

THINGS TO REMEMBER
- Please remember to be on time to pick up your child, by 3pm, as the Preschool’s licence stipulates 9am till 3pm only.
- We are spending a lot of our day outside playing with our new routine. It is important that your child brings their hat EACH day.

Feedback
We have placed a Suggestion Box near the sign in sheet. We welcome any suggestions, ideas or comments parents may have.

School Centenary
Our school will be celebrating 100 years on Saturday 3rd October from 10am – 2pm. We are hoping to see all the pre-schoolers enjoying our centenary.

Kellie Keed & Allison Jarrett - Preschool Educators

### Rule of the Week
To be **Respectful** students are reminded to let others learn and share eg take on piece of equipment.

### Kindergarten 2016
If your child will be commencing Kindergarten in 2016, please collect an enrolment package from the school office. PLEASE COMPLETE AND RETURN AS SOON AS POSSIBLE.

### Year 5 Stradbroke Island Excursion
An information pack containing Consent and Medical Forms, Behaviour Contract and Parent Caregiver Agreement etc will be sent home as soon as all the information is available to us.

### ARTSMART Workshop
Selected students have been given and expression of interest note to participate in the ARTSMART workshop. Please return completed note indicating attendance by **Friday, 14th August**.

### Woolworths Earn & Learn Program
When you shop at Woolworths, please collect the Earn & Learn stickers for Lismore South. Collections boxes are at Lismore Central, The Square and Goonellabah or you can send them into the box in the school library.

### Rivers Sporting Challenge
The LSPS Rivers netball team have been having a fantastic time at the Rivers Sporting Challenge. We have met new people, learnt new skills and had a lot of fun. Rivers Sporting Challenge is an inter-school challenge between Lismore South, Lismore Public, Goonellabah, Albert Park and Wyrallah Road. Our refs have come from Richmond River and Kadina High school and we are very appreciative of all their help.

*Kylie Organ – Sport Organiser*
Year 5 & 6 Excursions

Consent, Medical etc due 14th August.
Please ensure you have completed and signed all areas.
Please remember that you can make regular part payments for the Year 5 Excursion to Stradbroke Island and the Year 6 Excursion to Canberra.
Full and final payments must be made by Friday, 21st August.

Water: did you know:

- 85% of a child’s body weight is water.
- The human brain is 75% water; a living tree is also 75% water.
- There is the same amount of water on Earth as there was when the Earth was formed. The water from your tap could contain molecules that dinosaurs drank!
- Water regulates the Earth’s temperature. It also regulates the temperatures of the human body, carries nutrients and oxygen to cells, cushions joints, protects organs and tissues, and removes wastes.
- Although the average person can live for about one month without food, we can only survive about a week without water.

Drink water: it’s Cool!
