Hello Parents/Guardians,
The Life Education Van will be visiting Lismore South Public between the 11th and 17th October, 2011. We are encouraging all children to participate in the program as it supports class learning and helps develop skills needed to deal with issues that we face in society every day. Topics covered change for each year group depending on the children’s age and their needs.

Did you know?
Life Education programs address many of the components and outcomes within the NSW Personal Development, Physical Education and Health Curriculum. Students not attending these workshops will complete independent study on these topics.

The program focuses for each grade are as follows:
Year 3 – Friendship, resilience, healthy food choices, active lifestyles, expressing emotions and coping strategies.
Year 4 – Safe and unsafe situations, medicines and consequences of misuse, positive communication, peer influence and friendship.
Year 5 – Smoking, passive smoking, peer influence, the law and refusal skills.
Year 6 – Consequences of alcohol use and misuse, alcohol laws, stay safe situations and refusal skills.

General Information:
- Parent session will also be available. Keep a look out in the upcoming newsletters for details.
- Sessions last for approximately 1 ½ hour.
- Cost is $7 per student. This includes all aspects of the program and a colour workbook.
- Money and Note to be returned by Thursday, 22nd September 2011 (2nd last day of term).

If you have any queries or questions about the program, please contact Mr Boronski through the school office and I will get these answered for you. Thank you.
