Hello Parents/Guardians,
The Life Education Van will be visiting Lismore South Public School between the 11th and 17th October, 2011. We are encouraging all children to participate in the program as it supports class learning and helps develop skills needed to deal with issues that we face in society every day. Topics covered change for each year group depending on the children’s age and their needs.

Did you know?
Life Education programs address many of the components and outcomes within the NSW Personal Development, Physical Education and Health Curriculum. Students not attending these workshops will complete independent study on these topics.

The program focuses for each grade are as follows:
Kinder – Healthy food choices, importance of physical activity and safety.
Year 1 – Body workings, safe use of and storage of medicine, peer pressure, safety and decision making.
Year 2 – Environmental health issues, emergency procedures and individual needs for medicines, safe use and storage.

General Information:
- Parent session will also be available. Keep a look out in the upcoming newsletters for details.
- Sessions last for 1 hour.
- Cost is $7 per student. This includes all aspects of the program and includes a colour workbook.
- Money and Note to be returned by Thursday, 22nd September 2011 (2nd last day of term).

If you have any queries or questions about the program, please contact Mr Boronski through the school office and I will get these answered for you. Thank you.

Mark Boronski
Life Education Coordinator

Diana Foley
Principal
