Life Education NSW Preschool Program

Hello Parents/Guardians,
The Life Education Van will be visiting Lismore South Public School including Preschool between the 11th and 17th October, 2011. We are encouraging all children to participate in the program as it supports class learning and helps develop skills needed to deal with issues that we face in society every day. Topics covered change for each year group depending on the children’s age and their needs.

Did you know?
Life Education programs now extend to the early childhood area for 3-5 year old children. In line with the accreditation process, programs have been developed to meet specific principles and the needs of children of this age.

The program focuses on 5 areas:
1) Personal Hygiene  2) Sun Safety  3) Exercise  4) Age Appropriate Nutrition  5) Sleep

Features of the program include:
A positive child-centered approach, a variety of stimulating activities, a wide variety of areas for creative expression, a ‘hands on’ approach, resources including ‘The Carpet Kid’ and ‘Healthy Harold the Giraffe’, large reader books, songs, dance, games, drama and delivery by trained educators.

General Information:
- Visits will occur in the mornings of Monday, 17th and Wednesday, 12th October 2011. Sessions last for approximately 40 minutes.
- Cost is $6 per student. This includes all aspects of the program and includes the colour workbook.
- Money and Note to be returned by Wednesday, 22nd September 2011 (2nd last day of term).
