P & C / School
Events Update

It has come to the attention of the P & C and the staff that there may have been some misinformation in the community about the school’s special events and activities. Therefore we would like to give you a detailed update this week and have decided that twice a term the P & C and school will jointly publish an “events update” to explain and highlight what is coming up.

Welcome to Issue 1.

Easter Celebrations
Once again the K-2 classes will have an “Easter Hat Parade” at the end of this term. Parents/carer’s are asked to support their child by helping them to make a hat to wear for the parade.

Anyone not able to do this, please let your child’s teacher know so that something can be arranged for them at school.

The parade is a lot of fun, with singing and dancing and Easter Bunny is tipped to make an appearance. The P & C will be assisting the Easter bunny to deliver the eggs on time.

Keep an eye on the school newsletter for exact dates and times.

There will also be an Easter Raffle drawn at the parade.

Come along to this special event and join in with the fun...

Mothers Day / Fathers Day
For the past 2 years the P & C has not run a stall at school, due to the lack of gifts being donated. In place of a stall, the teachers agreed to make special gifts for students to give to their mums, dads and special people in their life.

The P & C gives funds to the school for each class to purchase special craft materials, so that every child can make something for their loved one.

Feedback from both students and teachers has been very positive, so this is will go ahead again this year.

Plans are also underway to organise a “Community Breakfast” linked to both of these special days.

More details will be available later in the term.

Autumn Fair and Opening of New Facilities
The P & C are in planning mode to organise a great fair to celebrate the opening of the new covered area on the oval. This fantastic facility will be ready for use in term 2 and will be enjoyed by the whole community.

Details will be discussed at upcoming P & C meetings.

Stay tuned for more information and calls for helpers to get the big event up and running!

THINK ABOUT IT!
Do you have any ideas that would help the school?
Do you have any issues or concerns?
Not sure who you can talk to about these things!

Then become a voice in the P&C, ($2.00 MEMBERSHIP)

We would love to hear from you.

The more people involved, the more assistance we all can give to this wonderful school.
