This from the Principal . . .

PBL

Congratulations to all students who have earned their bronze level awards (25 PBL stickers) and to Sophie Bates on being the first student to earn silver level, entitling her to have morning tea with the Principal. It is wonderful to see all our students working to the best of their abilities to earn their PBL rewards – well done everyone.

FRONT GARDEN MAKEOVER

A big thank you must go to Leah Ferris and Leigh Baker for their great work in our front garden over the last weekend. The area is now ready for the Lismore Bunnings crew to come in and complete the makeover so that our front garden area looks more appealing. As part of the garden makeover we have removed the gravel path from the stairs near 1/2K to the car park. This means students and visitors will now have to use the concrete footpaths around our school and will help reduce the use of the car park as an access point for pedestrians.

NAIDOC WEEK and ABORIGINAL EDUCATION

We will be having activities for all our students on Wednesday, 26th June from 9.30 – 3.15 with dance, drama, art and cultural awareness workshops planned to celebrate NAIDOC Week. Community members are invited to join with us for the day and students are encouraged to wear red, black and yellow clothing for the day. All staff members will be attending Connecting to Country cultural awareness training for our Staff Development Day on the first day of next term and this will benefit all students in our school. Our staff will join with the staff from Lismore Heights PS, Lismore PS and Wyrallah Road PS in this professional learning experience.

I would like to acknowledge the efforts of our school staff over the last few weeks in planning for and supervising activities for students, such as a Girls Rock Sleepover and Stage 2 Currumbin Excursion. We had 100% of stage 2 students- go to Currumbin Wildlife Sanctuary last Friday. The amount of time and effort put into activities such as this is tremendous and our students are the ones who benefit. Thank you also to all parents and carers for supporting your children in attending these activities.

If you would like to have a chat please come in to the office at any time or email me on the address below.

## SPREADING THE GREEN MESSAGE

The students in Green Team have been working hard to grow and pot different types of plants. These plants were then assembled into bigger pots to make mini-gardens. These mini-gardens were then taken down to a number of businesses in Lismore. The idea behind this program is to give the Lismore Community Garden Team and our School Green Team exposure, highlighting the environmental activities that both groups undertake. The recycling of plants was our focus this year.

So if you are in the area stop and have a look at the artistic gardens the students created. The following businesses will be displaying one of the mini-gardens. Gleanings 2nd Hand Clothes, which is at the end of Star Court Arcade, The Mecca Café, Magella Rose Gifts & Homewares, The Audio Room, Power Max Computers and Life Line are all in Magellan Street, Lismore.

The children worked really hard and we were the only school to provide whole gardens. Well done team.

HEALTHY KIDS
How to help kids and teens be more active
Be a good role model and have a positive attitude to being active. If your children see you enjoying physical activity and having fun, it can motivate them to participate.
- Encourage them to play in the backyard, dance to music, ride a bike or get involved in vigorous activities like running, swimming or playing sports like soccer, netball or basketball.
- Make time to be active as a family – walk to the local park, go bike riding or take the dog for a stroll.
- Encourage ‘active play’ by buying gifts that get kids and teens up and moving, such as balls, bats, skipping ropes and other equipment. It also helps them develop and practice new skills.
- Park some distance away from your destination – school, sport or the shops – and walk the rest of the way.
- Make sure kids and teens have an opportunity to be active after school, either through active play or organised sport.
- Encourage kids and teens to try different sports or activities so they can find one or more that they really enjoy and want to continue with.

P & C
The P & C’s major fundraiser for the year is the 4WD Caravan, Camping & Marine Show held at the Lismore Showground on Friday, 5th, Saturday, 6th, and Sunday, 7th July from 8 am to 4 pm. Any assistance would be greatly appreciated.
