Once upon a time there was a dragon called Ender who was nice. Ender ate raw meat in a bowl. Ender ate cake for dessert and breakfast and he ate legs. One day he felt sick because instead of fire he breathed water. The next day he went to his blood cave with dead humans in it. Night came and Ender was tired so he slept. But at midnight he woke up and heard water coming so he hopped out of his cave and there was water everywhere. He went back in his cave and dug and dug and dug until he found gold and diamonds and he was rich. People tried to steal his gold and diamonds. Ender ran away because he wanted to be safe.

Outside

Outside the house is a hideous monster. The monster has red steaming eyes. His skin was made out of poisonous slime. The sight of him sent shivers up my spine!

Dragon

Once upon a time in the dark old forest lived a friendly dragon who liked children. One day the dragon saw something scary, but it was just a friendly bear. The dragon, bear and the children played hide and seek and they lived happily ever after.

At Lismore South Preschool we acknowledge the importance of play to a child’s learning, development and wellbeing. Our preschool is aiming to improve our outdoor environment to provide high quality, engaging and stimulating opportunities for our children to learn through play.

To help us achieve our goal we are holding a family movie night under the stars on

Friday the 13th of June, at

Lismore South Public School

The night will include a BBQ dinner, raffles and watching a movie at our ‘outdoor cinema’. Please lock this date into your calendar and stay tuned for further details. We hope you can join us in supporting this venture and very important cause.

“Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood.”
