Take a look at Stage 30’s wonderful work!!
FROM THE RELIEVING PRINCIPAL

Just a reminder that we leave our personal toys at home. If they come to school they cause arguments and children get upset if something happens to them. Please leave them at home for safe keeping.

Please remember the importance of a healthy breakfast for your children to assist with their attention and concentration. The Canteen will only be selling nutritional food. Also remember the breakfast club is there for all students. Donations of weetbix and bread is always greatly appreciated. Please contact Leonie at breakfast club.

Thank you
Thank you to Leonie Hyde who has operated our Breakfast Club for the last 10 years every morning from 8:30 to 9:00 am.

Leonie is absolutely dedicated to providing a healthy breakfast for students at Lismore South. What an amazing effort, thank you Leonie!

Reforms to P&C Federation

On another but related note the NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at

CANTEEN

The Canteen has reached the end of its current contract. At the last P and C meeting discussions were held regarding the future direction of the canteen, however some members of the community feel they did not have a say. There will be an additional meeting this Thursday at 5:30 in the library. If you are a financial member ($2) and would like to have a say about the direction of the canteen, please come.

Please be aware that it is the P and C’s intention to advertise the agenda for the coming meetings in the newsletter. This is the opportunity for community members to voice opinions about up and coming items concerning the school. This is the time to voice any ideas or concerns which would help support the school.

4WD CARAVAN & CAMPING SHOW

Included with this newsletter is a flyer requesting your assistance at the forthcoming 4WD Caravan & Camping Show held at Lismore Showgrounds on Friday, 4th July, Saturday, 5th July and Sunday, 6th July.

Catering at the show is a great way of raising a lot of money which is used to support our children at Lismore South. We cannot do it without the support of parents – even for an hour or two on one of the days. Please get involved and volunteer.

LIFE EDUCATION VISIT

The students have enjoyed the visit from the Life Education Van along with the surprise visit from Healthy Harold. Thank you to Jessica for her enthusiastic delivery of the PDHPE lessons.
GIRLS ROCK
Last week the girls used their artistic skills to ice and decorate cupcakes. They had a finger licking good time and enjoyed eating the final results.
A special thanks to Barbie who made the cupcakes and organised the decorations.

ABORIGINAL ART DAY
Last Thursday, 22nd May a group of enthusiastic students went to Albert Park Public School for an Aboriginal Art Day. They were Brett Franke, Seth Woodcroft, Isaiah Hunt-Munro and Isaac Anderson.

It was a fantastic day mixing with students from the other Rivers Schools. Roy Gordon, an Aboriginal artist guided and encouraged the students to create colourful works of art. He will also be visiting each of the schools in the coming weeks to help the students complete their canvas.

ASPIRE CAREERS PROGRAM
Research has shown that children need to start investigating the opportunities available to them as early as possible. The information may influence their future education decisions in actively seeking a variety of career choices.

So your child likes ART, what are the job possibilities?

“If you can imagine it, you can achieve it. If you can dream it, you can become it.”
William Arthur Ward
