Sick children: If your child is feeling unwell or has a cold where the nose is not running clear, they should be kept at home where they can recover and return to preschool when they are well. Children with vomiting and diarrhoea are not to return to preschool until 24 hours after the last vomiting/diarrhoea episode. Keeping children at home when they are sick helps ensure the safety and wellbeing of other children and staff.

Family meetings: During weeks 8 and 9, Miss Mel will be holding family meetings. This is a great chance to discuss your child’s development and progress at preschool. The meetings will be held before and after preschool. If you would like to arrange a meeting, please see Miss Mel to organise a time.

‘Movie Night’ preschool FUNdraiser!

Lismore South Preschool is holding a fundraiser for the Lismore South community on Friday the 13th of June. What’s Been Happening at Preschool?

Fun in the bark!
We have been having a great time using pipes and tubes in our bark area. We have been exploring speeds and distances as we race balls and cars. We have been working together, problem solving how to place the tubes, how to tie them up and reflecting on why some objects are faster than others.

Outcome 4: Children are confident and involved learners.

CHOOSE YOUR SMART SWAP

We challenge parents this week to swap one unpackaged snack for a healthier alternative, try at least one of these swaps:

• Swap a commercially bought cheese dip and biscuits with cruskits and sliced cheese
• Swap a muesli bar for a slice of fruit loaf or bread
• Swap sweet biscuits for a tub of fruit flavoured yoghurt
• Swap potato or corn chips with rice cakes and cream cheese
• Swap a fruit roll up or fruit bar with some dried fruit like sultanas
• Swap a juice popper with a bottle of water and/or milk (flavoured is ok)

We would love to hear from you about your swapping experiences!
