The Goanna’s group was visited by the tissue fairy on Wednesday. She taught us how to blow our noses the right way as well as why we aren’t supposed to sniffle. The tissue fairy said it can hurt our ears if we sniffle and then our ear drums won’t be able to wobble, which makes us be able to hear properly. A few of us had a go on her special hearing machine to see if our ears were healthy or sick.

Link to learning outcomes: Outcome 3 Children have a strong sense of wellbeing
The children are taking increasing responsibility for their own health and wellbeing as they were shown how to look after their own noses and eardrums.
