Payment must be by cash or cheque. No EFTPOS or Internet banking payments are available.
As a continuation of our post card project we had a visit from Bella’s dad Michael who is a mail contractor. Michael came in and spoke to both groups about how the mail gets from the post office or letterbox to our mailbox at home. We also discussed if a letter was sent from overseas it went on a boat or a plane then on a truck, a smaller truck, went to Casino mailing sorting centre and then went on a motorbike or in a car to our house. Michael uses a car for his deliveries and he bought it to preschool and let us have a look in it. He showed us the crates he uses for small and large letters and the flashing orange light on the top of his car. The most exciting thing Michael told us was Santa Claus’ address. We have started writing letters to Santa and addressing them and Michael is kindly going to post them for us.

Thank you Michael for taking the time to help answer all our questions!
