What’s Been Happening at Preschool?
The children have thoroughly enjoyed box construction at Preschool this week. There have been so many fabulous creations made. There have been light houses, tractors, caravans, Rapunzel’s castle and a shop just to name a few. Indigo from the Goanna’s group made a park which included a swing, jumping castle, slide and a ring for dogs to jump through.

Link to learning outcomes: Outcome 4 Children are confident learners
The children have shown they are developing dispositions for learning such as creativity, enthusiasm, persistence and imagination.

Jars/Craft Goods: A big thankyou to those families who have donated craft materials for art and craft, it is very much appreciated. Items we could use include glass jars, tissue/cereal boxes, cling wrap/foil rolls. Please note we cannot accept toilet rolls due to hygiene purposes.

Family Pictures: Don’t forget to bring in your family photo! If you don’t have a photo but have one on your computer feel free to bring it in on a memory stick or e-mail it to the school email address which is lismoresth-p.school@det.nsw.edu.au please mark it attention for the Preschool and we can print it off for you.
After being asked by both parents and children how to make play dough, for your information we are including it in this week’s newsletter.

4 Cups of plain flour
1 cup salt
4 tablespoons oil (any)
1 ½-2 cups water
Food colouring

Mix flour and salt together. Add oil and stir. Add 1 ½ cups of water, stir add more if needed. We put the food colouring in with the water so the colour is consistent throughout the play dough. Mix together then knead with extra flour on bench until you are happy with the consistency. Keep in an airtight container and this will last for weeks. ENJOY!

This is us making ours this week!

Question of the month: Your child would love to celebrate Father’s Day with their father’s and other significant male role models in their lives. What time of the day would you prefer for this celebration?
