Preschool Committee Meeting: Our preschool committee meeting will be held this Thursday, 3rd April at 3.15 pm in preschool. Topics for discussion will be fundraising for our outdoor environment. All parents and community members are welcome to attend and join us for a cuppa and a chat.

Easter Hat Parade: Parents and carers are invited to the Easter Hat Parade to be held on Friday, 11th April at 9.45 am under the COLA on the oval across the road from the school.

Children may create or decorate a hat at home or wear their “Spectacular Hat” they have made at preschool. The children will be involved in a dance routine they have been practising and may wear casual dress for the occasion.

It would be appreciated if all children could arrive at preschool no later than 9.15 am on the morning of the Easter Hat Parade to enable us to get some photos of the children wearing their amazing hats before we make our way over to the COLA. Echidna group children who wish to attend will also need to be signed in and out of preschool and be collected from preschool at the conclusion of the parade.

Easter Raffle: Please return raffle books (sold or unsold) by Wednesday, 9th April. The raffle will be drawn on Friday, 11th April.

Overdue fees: Thank you to the families that have finalised their fees. Please note Term 1 fees are now overdue. A reminder notice, showing the amount owing, has been attached for your convenience. Should you be experiencing difficulty in making payment, please contact the School Principal, Mr Matt Hobbs, to discuss payment options.

Holidays: As this will be our last newsletter for Term 1, we would like to wish you and your family a safe and happy holiday.

Thank you for a wonderful Term 1. The children have settled in to the preschool routine well and we look forward to what Term 2 has to bring us.

Please note the last day of Term 1 is Friday, 11th April. Preschool resumes Term 2 on Tuesday, 29th April.

What’s Been Happening at Preschool?

Preschool have enjoyed their first visits to the school library! We walked to the library and met the Librarian Mrs Denning. She had put out some special books for us to have a look at on space. We had a walk around the library and noticed the different things in it. There were a lot of books and even computers!
Outcome 1: The children are developing a sense of belonging to their school by exploring and engaging with other physical environments and meeting other teachers. This is supporting them to feel safe and secure at preschool and within their school community.

Family photos: Thank you to the families that have sent in a family photo. If you haven’t already done so, please bring in a family photo for your child to share with us and discuss during small groups then hang it on our Preschool Family Tree in the foyer. If you don’t have a photo but have one on your computer, you can bring it in on a memory stick for us to print for you or you can e-mail it to the school, lismoresth-p.school@det.nsw.edu.au
